

HECUA Lost Alumni - Tips for Navigating

- We have included 'Bookmarks' (i.e. links that serve as a table of contents) to highlight the information on each page. To view bookmarks, you will need to have the 'Navigation Page' active. To do this, click on the 'Show/Hide Navigation Page' (on the toolbar); this icon is just to the right of the printer icon.
- To Search for a Name, click on the large Binoculars icon (on the toolbar).
- To Change the Magnification of the document, activate the 'Zoom in Tool' (on the toolbar) by clicking on the magnifying glass icon. Then move the magnifying glass over the section you'd like to magnify & click.

If you need assistance with this document or have other questions, comments, or suggestions please e-mail info@hecua.org.
